

~”A Social Gathering Party II”

between Japanese and African young people~

December, 2012

This is to invite you to a social gathering party between Japanese and African young people.

We, Millennium Promise Japan (MPJ) is a non-profit organization whose main purpose is to support Millennium Development Goals (MDGs), especially through Millennium Village Project in Sub-Saharan Africa, by working to reduce poverty, improve the standard of life and educations.

Millennium Promise Japan Youth (MPJ Youth) is our subsidiary organization, consists of 45 students mainly from the University of Tokyo. The group of 12 members of them visited Rwanda in 2011 and Ghana in 2012. They will visit Tanzania next March.

We hold our first gathering party in which His Excellency Dr. Charles MURIGANDE, Ambassador of Republic of Rwanda and Mrs. MURIGANDE joined on Nov 11th. It was very successful so that we will have our second meeting.

We hope it would help us understand each other even better toward the Student Summit for TICAD V held next March.
